IF YOU LIKE IT, BUY IT

You may think it's a recreational park in a residential area, however, it's not. It's a very nice 3 bedroom, 2 bathroom house on 1ha of land only 13km out of Nelspruit with only 3km gravel road from the N4 towards Gauteng.

The area is one of only a few farms that never had a land claim. The property offers a well-maintained 3-bedroom house, a double garage to tandem 4 cars each and another lock-up garage with a workshop attached.

There is also a fairly spacious 1 bedroom 1 bathroom Wendy-house which is almost permanently rented out. The marvellously large garden is really to die for and well maintained. Apart from the brilliant small pool and a very inviting patio/entertainment area, there are also some alarms and an electrified boundary fence.
